

All Solstice Senior Living communities include the following amenities in one worry-free, inclusive price:

- Three elevated meals per day
- Vibrant Life® activity program
- Housekeeping and linen service
- Most utilities
- Scheduled transportation
- Respite stay

Community Fee

Making sure that your apartment is ready for move-in takes additional time and dedication from our caring staff. As a result, we require a one-time community fee to ensure that everything is ready upon your arrival. What's great is that, should you decide to leave the community, you are not responsible to pay for any additional maintenance, within normal wear and tear of the apartment.
