Requesting Access to a Resident's Profile

👉 On the homepage of the Community Portal, on the right-hand side of the screen, click on the grey **"Add Family Member"** button under the *"Family Members"* header.

ADD A FAMILY MEMBER

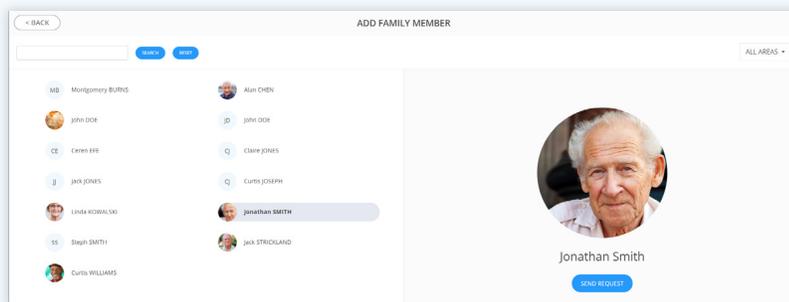

👉 On the *"Add Family Member"* page, you will be in the resident directory. Here, you can find your loved one's name and click on it. You may Search their name in the top search bar for ease of use.

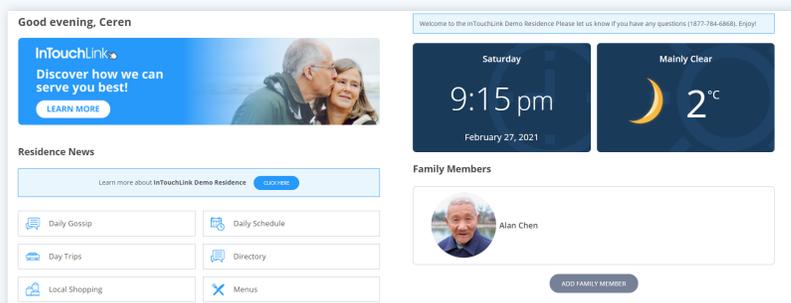

👉 You can also filter the directory by Area (e.g., Independent Living or Assisted Living) in the right-hand corner.

👉 Once you click on your loved one's name, you will see their name and photo pop up on the right-hand side of the page, along with a blue *"Send Request"* button. Click *"Send Request"*.

👉 You should see a green box popup with a message that says *"Thank you, your request has been sent."* (You can close it by clicking the *"x"* to the right). **You're all done!** Just wait 24-48 hours for your request to be approved by the community.

Thank you, your request has been sent. ✕

👉 Once your request has been approved, you will see your family member show on your homepage and you can click their name to view their profile information, activity attendance and meal attendance.
