

SOLSTICESM

A Provincial Senior Living Community

Life is

BETTER

AT SOLSTICE

“Solstice Senior Living has given my mother and I hours and hours of quality time together! Moving her from her home of 50 years was an extremely difficult decision for both of us. She was teary and nervous. On her second day in her new apartment, she said: ‘I wish I did this three years ago.’ She’s been at her new home for three years now. We have both made many friends, have had lots of laughs and we especially enjoy all of the staff. My mother enjoys the kitchen staff most of all! They are so good to her, and all of the residents. Solstice is a wonderful senior living community. I’m glad we’re part of the Solstice family.”
